# Cystic Fibrosis grateful for your support

Cystic Fibrosis grateful for your support

Cystic Fibrosis grateful for your support Thank you for sharing our special day with us.

#### A donation has been made on your behalf to the Cystic Fibrosis Trust

In lieu of the traditional wedding favours we have decided to make a donation to a cause which is very close to our hearts, the Cystic Fibrosis Trust. Cystic fibrosis is a life-shortening genetic condition that slowly destroys the lungs and digestive system. There are over 10,400 people with cystic fibrosis in the UK; only around half will live to celebrate their 42nd birthday. This donation will help the Cystic Fibrosis Trust to make a daily difference to the lives of those with cystic fibrosis and the people who care for them.

Thank you for sharing our special day with us.
