

# Cystic Fibrosis Trust

## YAG needs you!

The Trust's Youth Advisory Group (YAG) makes a real difference to the lives of young people with CF. And you could too.

If you're 14-25 and have CF or are close to someone who does (like a brother or sister) and want to find out more, visit [cysticfibrosis.org.uk/YAG](https://cysticfibrosis.org.uk/YAG), or email [cfyouth@cysticfibrosis.org.uk](mailto:cfyouth@cysticfibrosis.org.uk)

"What I love about YAG is that we all get to use our own talents and interests to develop things semi-independently, as well as doing amazing group work."

As a member of YAG, you could:

- Influence work at the Trust
- Make sure the voices of young people with CF are heard
- Lead your own projects
- Meet amazing people
- Make a change!
