

Cystic Fibrosis why we're fundraising

Fundraising totaliser

There are many ways that your fundraising could help us fight for a life unlimited by cystic fibrosis*

£10 could provide vital support and information to parents and families when they need it most.

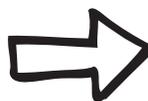

£25 could provide one and a half hours of important call time with a trained helpline staff member, offering support on anything from travel insurance to benefits and employment issues.

£110 could fund a PHD student for a day in a research project at a Strategic Research Centre.

£250 could enable someone with cystic fibrosis to meet the cost of undergoing assessment for a lung transplant at one of the five transplant centres in the UK.
