

Corporate fundraising

When you sign up for a Great Strides™ trek, you will automatically create an Enthuse fundraising page so you can start fundraising straight away! You can create a team when you register so all walkers taking part can join the team and fundraise collectively.

If you have any questions, please get in touch with the Events team on **020 3795 2176** or company@cysticfibrosis.org.uk. We can put you in touch with our corporate fundraising team who will be able to support you with your fundraising plans.

Fundraising ideas for Corporate teams

- **Office bingo.** All you need are bingo cards, a charismatic caller and prizes.
- **Sports day.** Always good to be active and igniting a bit of competitive spirit.
- **Silent Auction.** Ask your business networks for donation of products and items people want to buy.
- **Karaoke Night.** For a fee, a fun karaoke competition is a great way to let loose while raising funds.
- **Bake Sale.** Everyone loves a sweet treat in the office, and you might have some secret star bakers in your team?
- **Bowling Tournament.** Everyone can get involved with bowling, charge an entry fee and ask people to donate for every strike scored.
- **Corporate Dinner.** Hosting a corporate dinner is a great way to bring in funds, even by just asking for those attending to pay the ticket price.

Benefits of taking part

Corporate challenges are a great way of improving vital team-building and company morale, and if this can be combined with raising funds for the Cystic Fibrosis Trust, then it's a win-win!

Match Funding

Many companies offer match funding for donations raised by their employees. It's a great way to double your donations, so why not ask if your company can support you in this way?

Could your company be interested in sponsoring Great Strides™ or providing some essential event supplies to help make the event a success?
