

! Ask a grown-up for help when using scissors and to poke the pencil through the spinner.

Instructions to make the spinner and counters

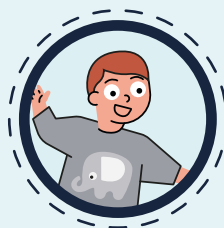

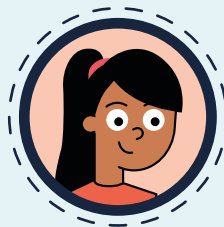

Instructions

1. Stick this piece of paper to a thin piece of card, like a cereal box.
2. Carefully cut out the spinner and the counters, following the dotted lines.
3. Taking care, poke a pencil through the middle of the spinner.
4. You're ready to play!

Spinner

Counters

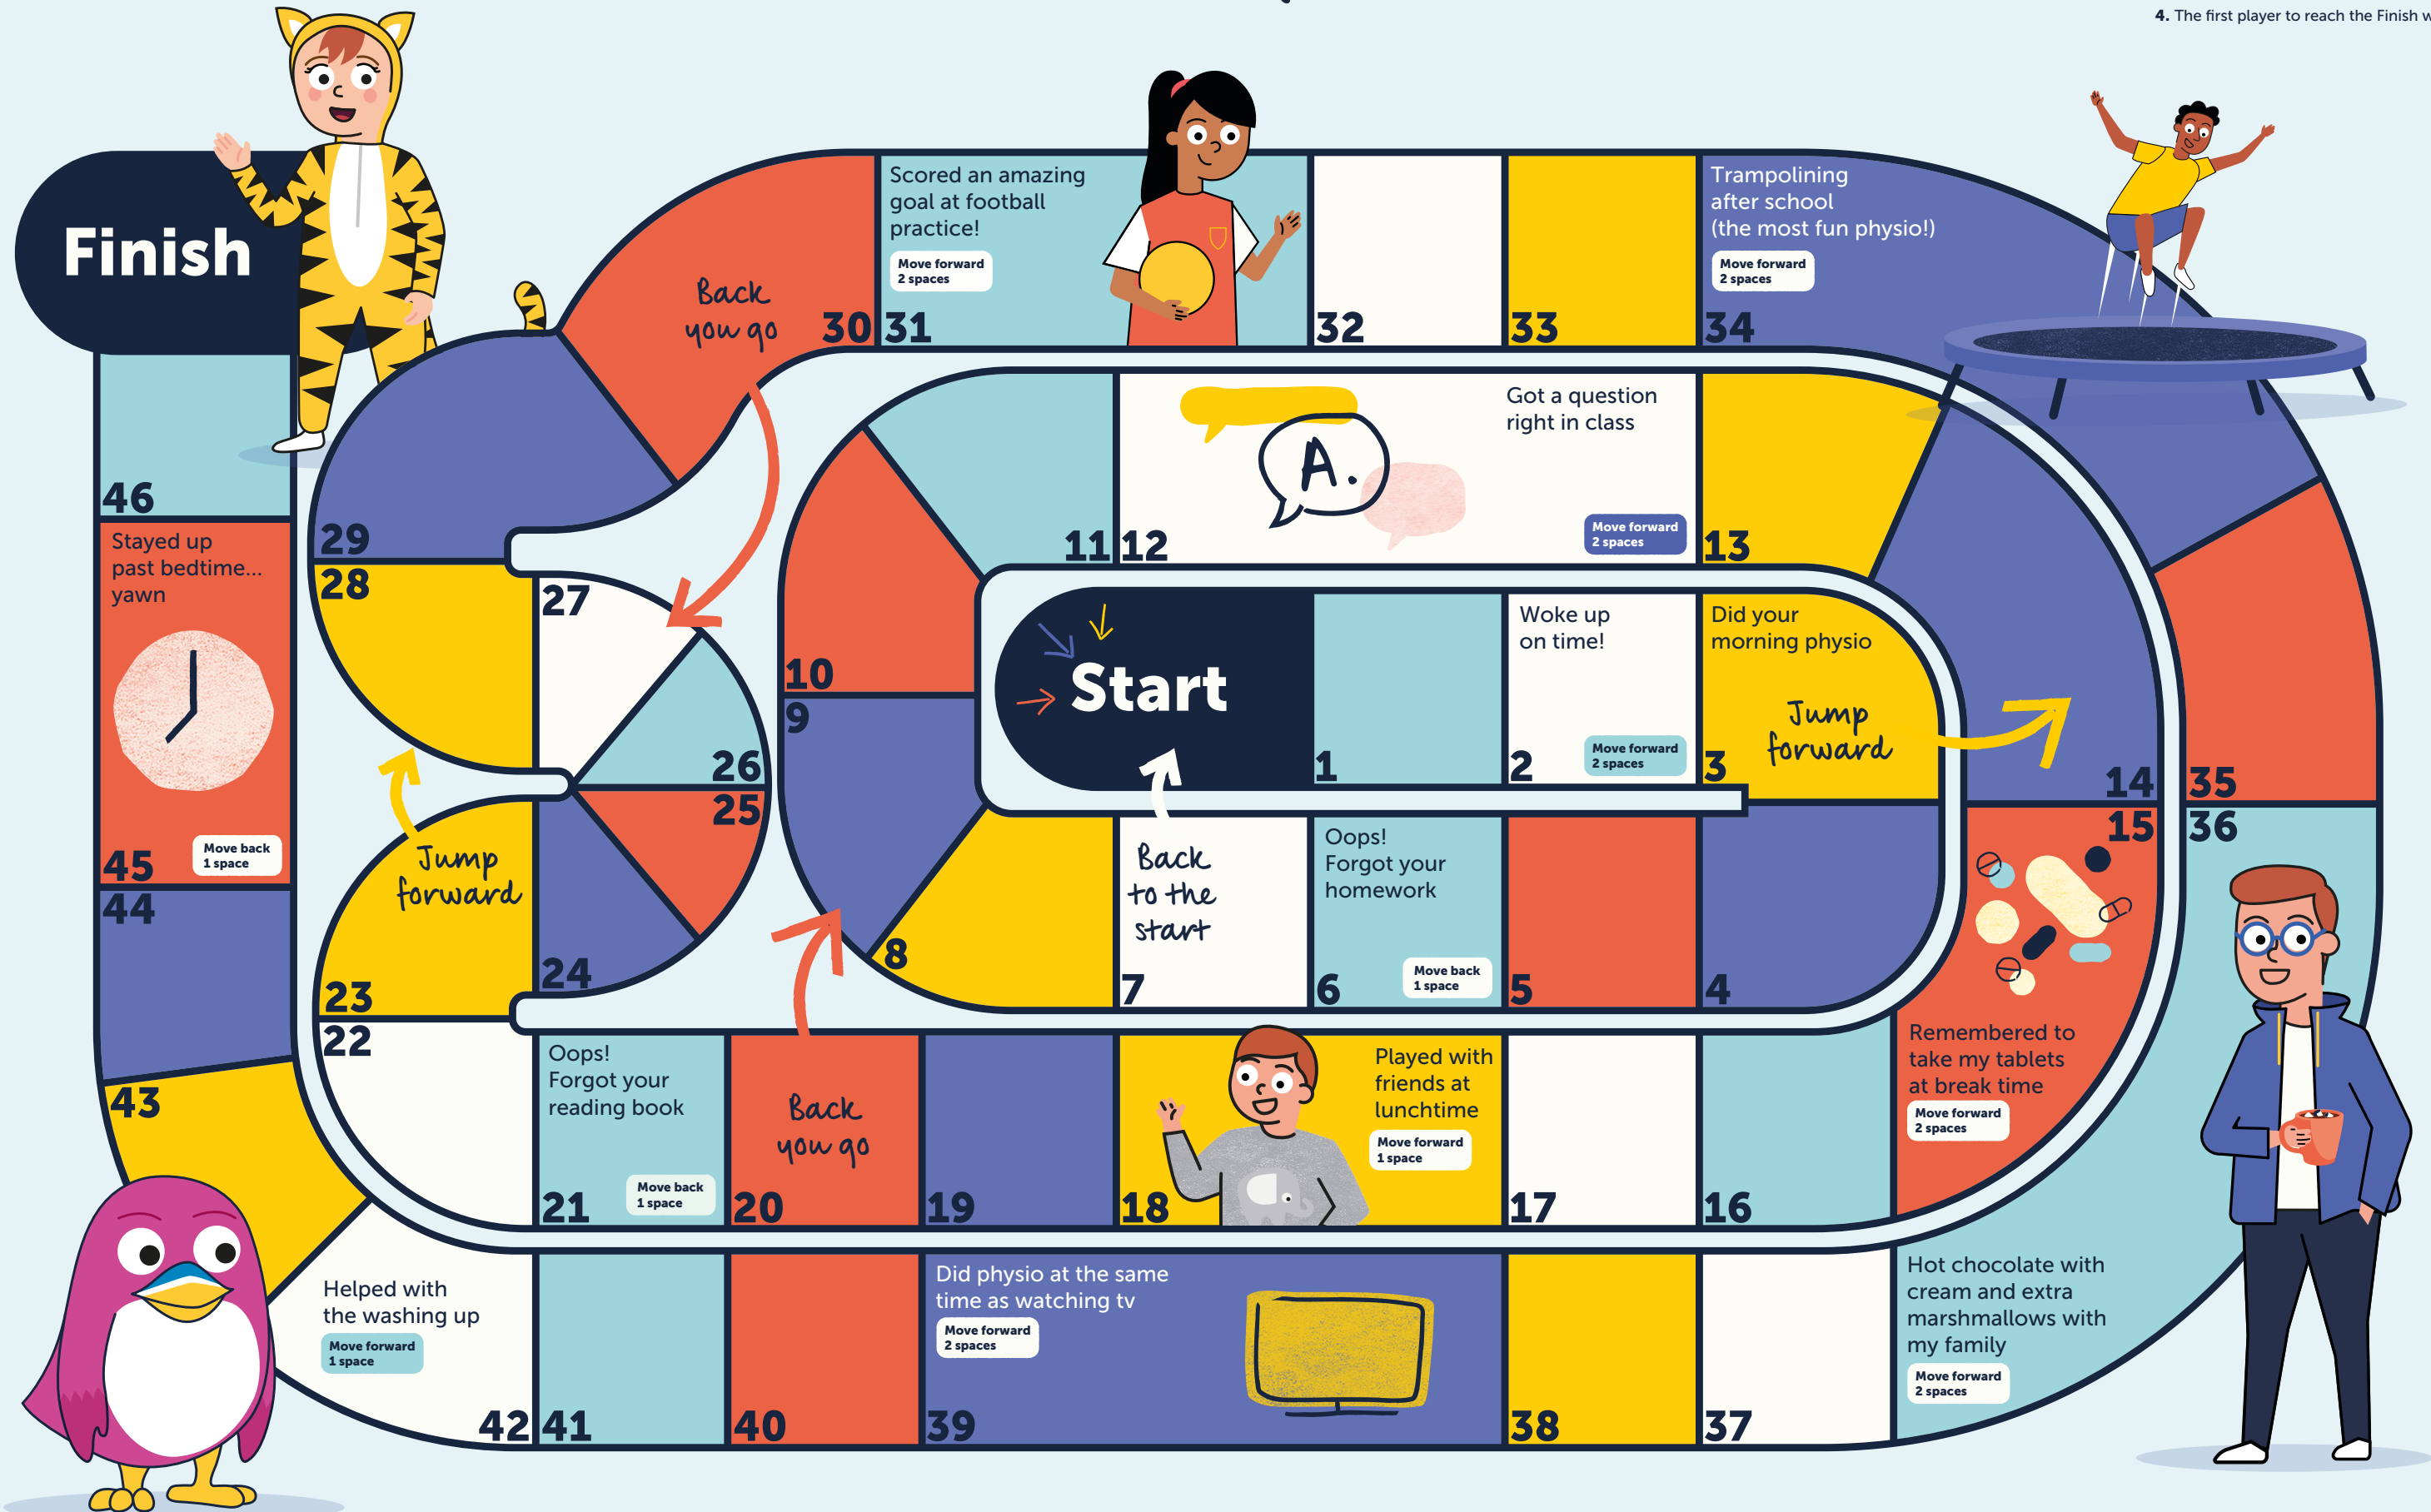

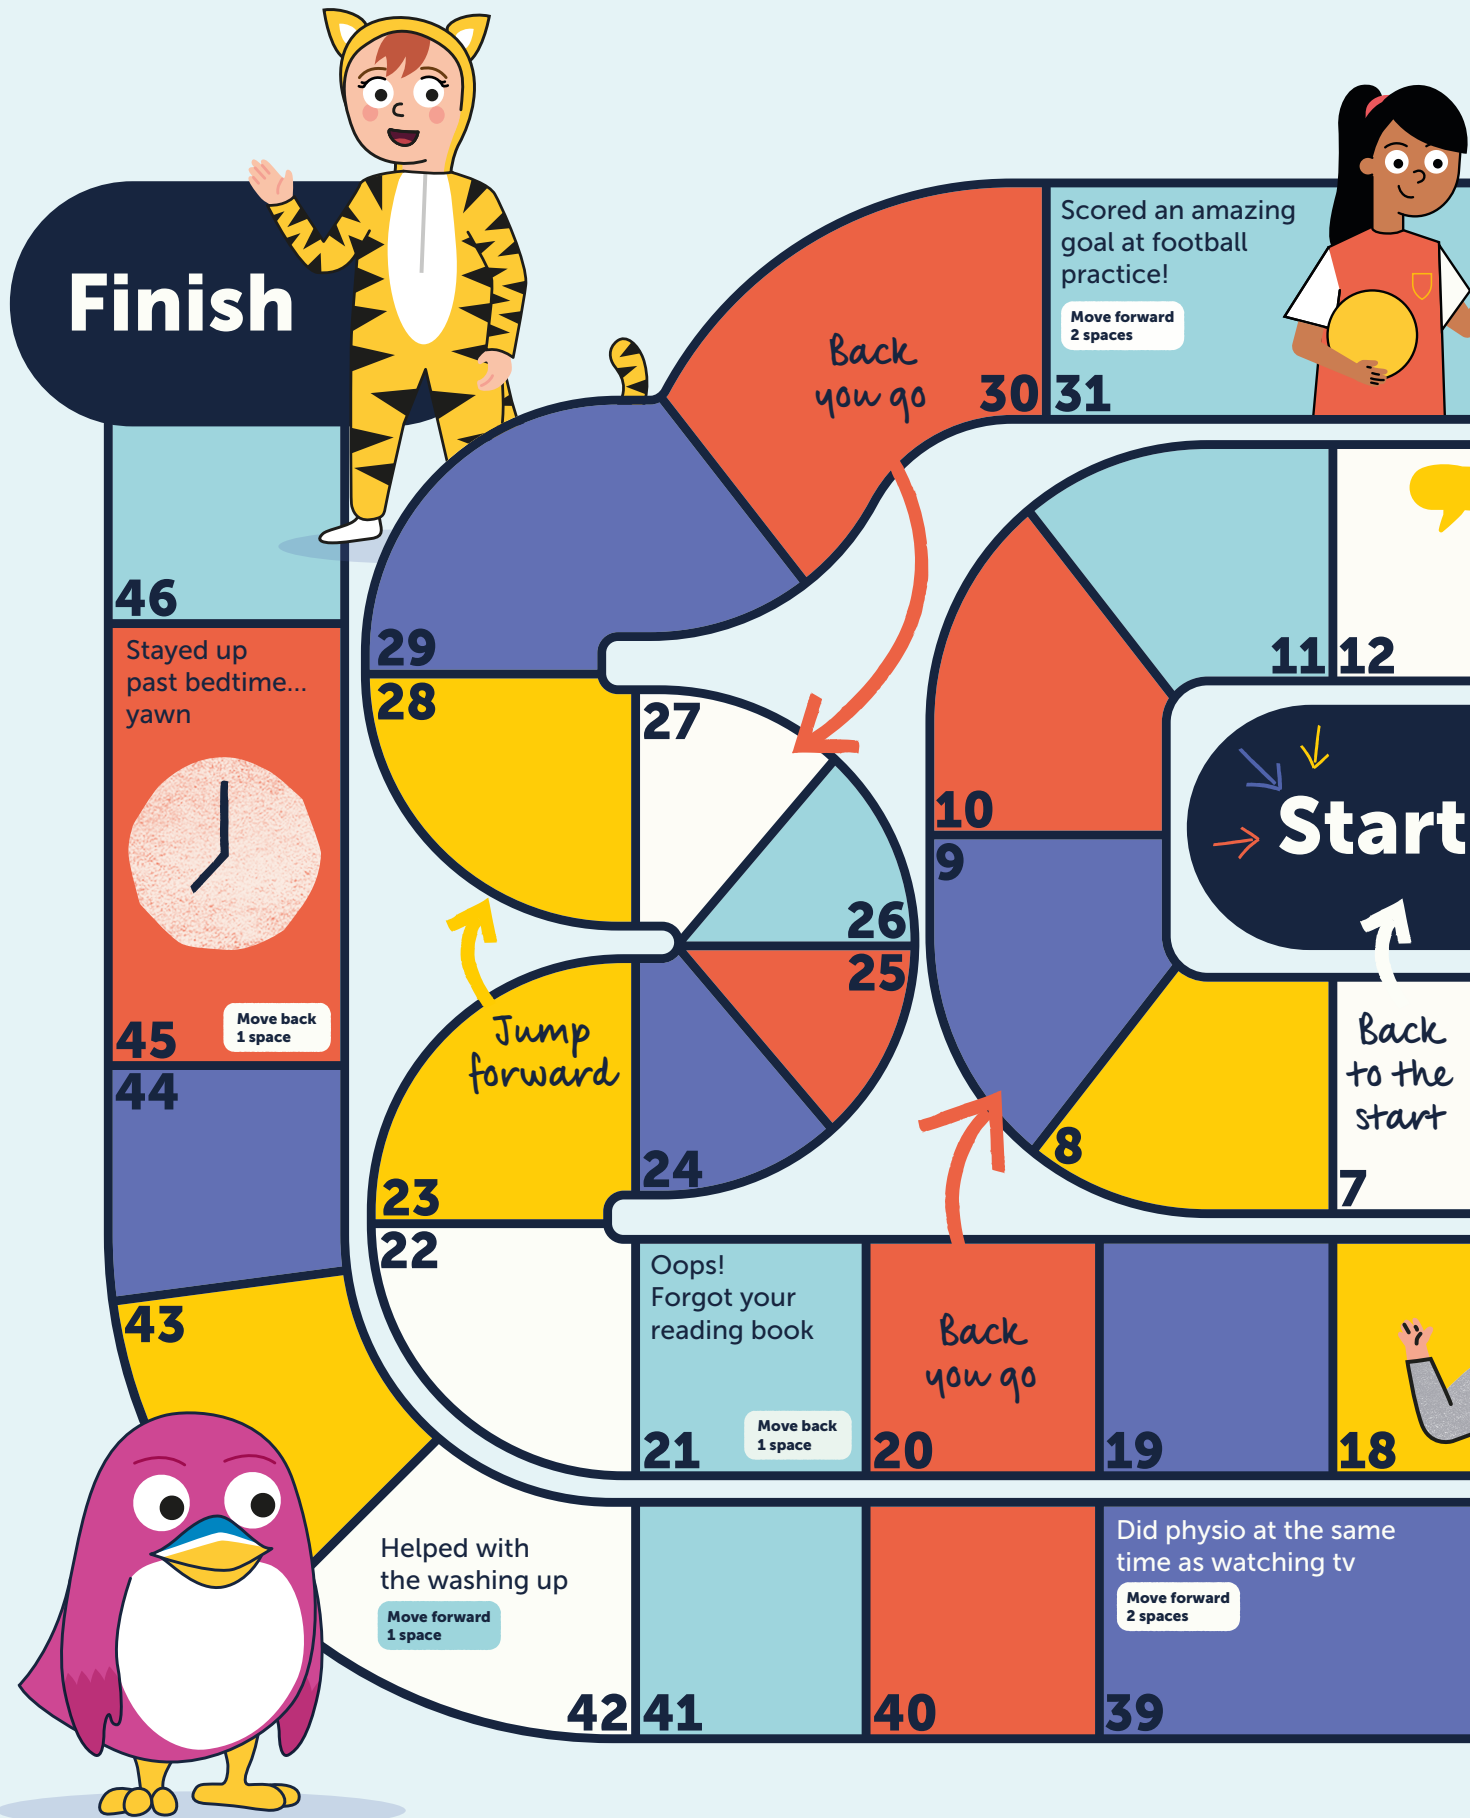

A Day in my World

How to play

1. Place your counters on the Start.
2. Take it in turns to roll a dice or spin the spinner and move your counter forward the number of places shown.
3. Read the instructions on each space – you might have to jump forwards or go backwards!
4. The first player to reach the Finish wins!
