

## Create your story!

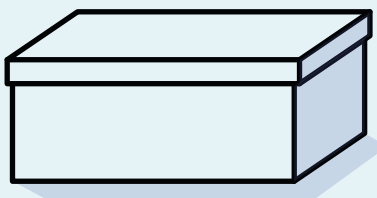

! Ask a grown-up for help  
■ when using scissors.

Create your very own play, just follow the simple steps below

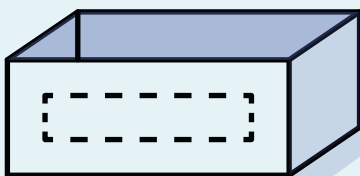

### Step 1.

Find a shoe box or something similar.

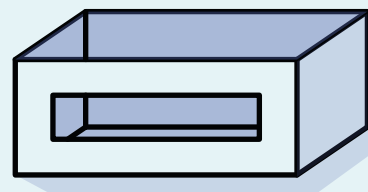

### Step 2.

Remove the lid and draw a rectangle on one of the long sides.

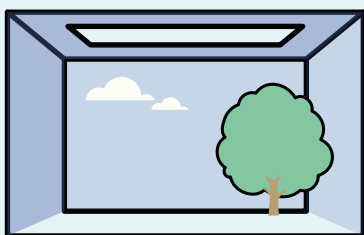

### Step 3.

Carefully cut out the rectangle you have just drawn.

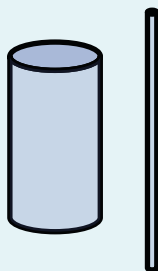

### Step 4.

Turn your box so that the cut-out rectangle is at the top. Then create a backdrop on the inside of the box – this can be trees, rainbows, clouds – whatever you want to draw

### Step 5.

Find a cardboard toilet roll tube and a lollipop stick, straw or pencil.

### Step 6.

Attach your lollipop stick, straw or pencil to the inside of the tube using glue or sticky tape.

### Step 7.

Cut out your character from the character sheet and stick them to the tube with glue.

### Step 8.

Place your character in the shoebox through the rectangle you cut out and perform your play!
