

Magic reindeer food

Sprinkle reindeer food in your garden on Christmas Eve to help Rudolph and his friends find their way to your house! Our new recipe is animal-safe, but remember, reindeer food is for Rudolph, not for pets, children or adults (that includes you, Father Christmas!)

Method

1. Lay flat a square of material and sprinkle on equal amounts of oats, fruit and seeds.
2. Gather all four corners and tie your thread or ribbon tight around the neck to keep the oats together.
3. Pass the thread or ribbon through the hole-punch in the information label and tie a double knot.

Ingredients

- Rolled oats
- Dried fruit
- Bird seed
- Red fabric cut into 10-inch squares
- Gold thread or ribbon
- Labels (on next page)

If you sell these magic reindeer food bags for £1 each, it would only take 104 bags to provide someone with CF with life-sustaining medication for a year by covering the cost of a pre-payment certificate.

On Christmas Eve, before you go to bed, sprinkle this reindeer food in your garden. The smell of oats will guide Rudolph straight to your home. (Not for human consumption!)
