Stitch on black wool eyes, or sew on buttons for eyes

For nose, sew side edges, adding stuffing as you sew for a small ball and sew cast on edge to snout.

For antlers, sew up each individual part (or sew to pipe cleaner to give stability). Push pipe cleaner through head side to side, and trim so 7cm protrudes each side wrap long antler around pipe cleaner and oversew.

Bend edges of antler

For each short antler, sew side edges together and sew cast on end to long antler.
